

Zoraiz Saleh

Caledon, ON L7C4E8 | +1 647 471 9350 | zoraiz.saleh@rogers.com

I am a high school student and tech enthusiast dedicated to bridging the gap between complex systems and human impact. With over 250 hours of my community service hours driven towards technical support, I've built a foundation in Cybersecurity, AV/Lighting, and full-stack hardware/software development. also having an active role on the world-ranked FIRST Robotics Team 4946 (The Alpha Dogs), I have built a foundation in technical excellence and collaborative engineering.
